EVENT SUMMARY

EVENT SUMMARY

A Continuing Medical Education (CME) programme titled **"Perioperative Medicine – Care Beyond OT"** was successfully organized by the Department of Anaesthesiology at Dr. S.S. Tantia Medical College, Hospital & Research Centre, Sri Ganganagar, Rajasthan. The programme was attended by faculty members from across the country, along with anaesthesiologists from Sri Ganganagar and neighbouring districts.

The CME provided a valuable academic platform for knowledge sharing, professional interaction, and scientific discussions in the field of anaesthesiology and perioperative medicine. The programme was a great success in promoting academic learning and professional development. As per the applicable Rajasthan Medical Council (RMC) guidelines, **2 CME credit hours were awarded to delegates and 3 CME credit hours to speakers**. The programme was observed by **Dr. M. P. Sharma, RMC Observer**.

OUTCOMES OF THE EVENT

The CME sessions were highly informative and academically enriching, featuring comprehensive scientific content and valuable insights into perioperative medicine and anaesthesiology. The programme facilitated knowledge enhancement, professional interaction, and the exchange of clinical experiences among delegates, faculty members, and speakers. Overall, the event contributed significantly to academic learning and professional development in the field of anaesthesiology.
